Our Top Priorities for 2018

Professional & Technical Employees Local 17 is an organization representing nearly 9,000 public sector employees in city, county, state and public health in Washington and Oregon.

STRENGTHEN COLLECTIVE BARGAINING LAWS FOR PUBLIC EMPLOYEES

To allow more workers the ability to organize into unions, to implement a new employee orientation program that educates workers about unions, and to strengthen the language surrounding duty or fair representation and opt-out protocol.

AMEND THE PUBLIC RECORDS ACT (PRA)

To safeguard the privacy of our members, and to protect against the possibility of identity theft or unlawful solicitation by prohibiting the release of the public employee birthdates and other personal information to outside entities.

FUND PUBLIC HEALTH

To protect the health and safety of our communities by ensuring that standards for chronic and communicable disease prevention are met across the state with a fully-funded Public Health system.
