Re: Tacoma Joint Labor Committee Contract Vote

Dear Brothers and Sisters:

The Tacoma Joint Labor Committee would like to inform you that the contract votes were counted on November 1, 2016 and the results are as follows:

Returned Ballots:	484
Invalid Ballots:	41
Valid Ballots:	443
To Reject:	15
To Accept:	427

The final count is off by one (1) vote due to a miscount. It was decided to certify the count as listed above, as recounting the ballots due to one (1) vote would not change the outcome.

The contract passed with a 96% approval.

Thank you to those members who took the time to vote!

Sincerely,

Alice A. Phillips, Chair, IBEW Local 483
Matt Frank, Vice-Chair, Tacoma Firefighters IAFF Local 31
Terra Ament, Sectary-Treasurer, Teamsters Local 313
Matthew House, Teamsters Local 117
Roberta Burnett, IBEW Local 483
Dylan Carlson, AFSCME Local 120
Paul Miller, District Lodge 160
Andrés E. Muñoz, PTE Local 17
