

December 17, 2014 Chapter Meeting

Meeting was called to order by President Troy Lee.

Treasurer Aaron Erickson stated that we currently have \$862.79 in our account.

The leadership team will be updated by the end of the week by union rep Patrick Silvernale on the status of the collective bargaining agreement for 2015.

There was a 6.98% increase in medical premiums for 2015. This falls under the 7% the County agreed to cover resulting in no increased premiums for members.

On the Job Rotational Pilot Program, Troy Lee is to follow up with Chris Brown from the County and report back to the leadership group.

Mike Manley made a motion to spend up to \$150 to purchase food (pizza) and beverages with money from the chapter account for the next chapter meeting to entice more members to show up. Aaron Erickson seconded the motion. The motion passed unanimously.

There was discussion about County purchased personal equipment. Leadership plans to add this topic to the next Labor/Management agenda in 2015.

Troy Lee and Patrick Silvernale are to meet with Debbie Young to discuss the seniority list on January 13.

The meeting was adjourned.
