

It will be vital to convey the importance of Public Health during the 2017 legislative session, as funding is sought to ensure core services are available to all residents across our state.

Come to this session to learn about the 'Public Health is Essential' campaign, and how you can get involved!

**Tues., Feb. 14**  
**12-1 p.m.**  
**Chinook Building**  
**Room 123**

*Questions?*

**Contact your Union Representative!**

*The 'Public Health is Essential' campaign is a collaborative effort between health, union, and community partners to demonstrate the important role Public Health plays in the health and safety of our communities.*
